**SINGLE RELEASE JUMPS TO #1
RANKING
BAND'S TRIBUTE TO THE PLEDGE IS A 'HIT'!**

Williamsport, Pa. Just days after release, The Front Porch Country Band's, *America's Pledge* stands tall at No. 1 on MP3.com in the U.S. Genre.

America's Pledge was released shortly before July 4th in celebration of Independence Day. The smooth vocals and endearing narrative of American school children in this Americana-style ballad makes all who listen want to place their hands on their chests and show support for America.

In addition to the success of its new single, the band's trilogy CD *America Standing Tall* is recognized nationwide from New York to Hawaii. With music ranging from "hot rockin' country" numbers to beautiful ballads, the band has been described as having "*a great sound – tight, sure-footed, determined.*"

In response to requests from fans, the band will be the concerts to various locations nationwide. For more information on the band and its music visit www.frontporchcountryband.com.
